## SCHOLARSHIP APPLICATION

Student scholarships are available to young tap dance students in need of financial assistance who will carry on the tradition of the American art form of tap dance. These partial and full scholarships are based on financial need and merit. To apply, please complete the attached application and send a personal statement as to how this student scholarship will advance your tap dance education, a list of your current and previous dance training, a description of your current participation in tap dance (workshops, festivals, competitions etc.), a letter of recommendation from your tap dance teacher and a signed letter from a parent/guardian acknowledging your application.

*\*Please Note: Scholarships cover tuition only, not the \$20 registration fee and other expenses related to festival participation.*
